

SCODWES

Annual Report

2023-24

PREFACE

President's Note

I have the pleasure of sharing with you the 19th Annual Report of SCODWES for the year ending 2023-24. From the organization's perspective, this has been a significant year in terms of growth, outreach and the results thereof. We have worked hard in achieving our goals and ensuring the overall development of the underprivileged communities we serve.

SCODWES has made an indelible mark in rural healthcare by implementing Mallapur Health Centre, in association with NPCIL and running six Mobile Medical Units for Endosulfan victims in Uttara Kannada district & at the same time implemented 17 smart Mobile Clinic Units at Belgavi, Dharwad, Bijapur, Baglakot, Gadag, Uttara Kannada, Haveri, Davangere, Mysore, Mandya, Chamrajnagar, Chikkabalapur, Kolar & Bangalore Urban districts under KBOCWWB, labour department. Also established ELAZ smart clinic with the support of Biocon Foundation. These initiatives have positioned us as a leading player in Karnataka's healthcare sector and won the appreciation of World Bank, various department and other stakeholders.

I have an immense pleasure that, to have implemented many new projects under CSR initiative funded by GIZ, Azim Premji Foundation & Britannia Foundation.

Simultaneously expanding to new horizon in agriculture sector with REWARD & Honey mission program benefitting vast community of marginal farmers.

In the agricultural sector, SCODWES has made remarkable achievement through Integrated Watershed Management Programme & by Implementing 60 Farmers Producer's Organisation (FPO) in Uttara Kannada, Shimoga, Udupi, Gadag, Kolar & Haveri district, assisted by various department & NABARD, towards improving the livelihood of small and marginal farmers. Through Jal Jeevan Mission programme, envisioned to provide safe and adequate drinking water through individual household tap connections in Uttara Kannada & Udupi district made a mark in Water & Sanitation sector. Under NETFISH program, we have created awareness about hygienic and sustainable fish management across the coastal belt of Uttara Kannada and extending to Goa.

In recent years we have recognized as a key player in the field of skill development, by implementing Skill for Life programme, under the CSR sponsorship of HSBC, and Skill India programme, supported by FVTRS. I take this opportunity to thank our board members and team for their immense support in fulfilling our mission. I also thank our various sponsors and programme partners for their valuable contribution towards extending our support to many more deserving beneficiaries. We look forward to yet another year of uplifting the lives of the needy and neglected.

Dr. H. C. Boralingaiah
President
