ANNUAL REPORT 2021-22

President's Note

I have the pleasure of sharing with you the 17th Annual Report of SCODWES for the year ending 2021-22. From the organization's perspective, this has been a remarkable year in terms of growth, outreach and the results thereof. We have worked hard in achieving our goals and ensuring the overall development of the underprivileged communities we serve

SCODWES has made an indelible mark in rural healthcare through Mobile Medical Units in Uttara Kannada, Davanagere and Bellary districts. We have also implemented Mallapur Health Centre, under the CSR sponsorship of NPCIL, and six Mobile Medical Units for Endosulfan victims in Uttara Kannada district & at the same time implemented 3 smart Mobile Clinic Units at Belgavi, Dharwad & Uttara Kannada district under KBOCWWB, labour department. These initiatives have positioned us as a leading player in Karnataka's healthcare sector and won the appreciation of World Bank, Health department and other stakeholders.

In the agricultural sector, SCODWES has made remarkable achievement in Integrated Watershed Management Programme in Uttara Kannada district and Savayava Bhagya Yojane Project in Tumakuru, Udupi and North Canara districts & implemented 54 Farmers Producer's Organisation (FPO) in Uttara Kannada, Shimoga & Haveri district, assisted by concerned department & NABARD, towards improving the livelihood of small and marginal farmers. Through Jal Jeevan Mission programme, envisioned to provide safe and adequate drinking water through individual household tap connections in rural areas. Under NETFISH program, we have created awareness about hygienic and sustainable fish management across the coastal belt of Uttara Kannada, and extending to Goa. We have worked

In recent years we have emerged as a key player in the field of skill development, by implementing Skill for Life programme, under the CSR sponsorship of HSBC, and Skill India programme, supported by FVTRS. I take this opportunity to thank our board members and team for their immense support in fulfilling our mission. I also thank our various sponsors and programme partners for their valuable contribution towards extending our support to many more deserving beneficiaries. We look forward to yet another year of uplifting the lives of the needy and neglected.

**Dr Rajendra Kumar
President**

OUR PRESENCE

We operate in Uttara Kannada, Shimoga, Tumakuru, Davanagere, Mandya, Ramanagara, Udupi, Vijayapura, Belagavi, Bidar, Kalburagi, Ballar, Dharwad and Bangalore Urban districts in Karnataka, apart from 2 harbours of Goa State

VISION

Society of just equitable & Humane for the tribal community, Small & Marginal farmers & Endosulfan pesticide affected disables

MISSION

SCODWES aims at building an equitable society for tribes, farmers & endosulfan pesticide affected disables by providing food security, easy access to health, able to get higher education upgrade to existing traditional skills, thus strengthening the income levels lobbying with government bodies & other stake holders & development of basic infrastructure & ensure sustainability through convergence & participatory engagement of all the stake holders. Effective work towards the endosulfan pesticides affected disables for their rehabilitation & relief

FOCUS AREA

SCODWES strives to achieve its mission by adopting a three domain, the Major 3 domains are

- 1. Integrated Tribal Development**
- 2. Sustainable Agriculture for small & marginal farmers**
- 3. Resettlement & Rehabilitation of Endosulfan pesticide affected disables**
